¹ One combined direction-finding and radio beacon station included in total of direction-finding stations, and one combined coast and radio beacon station shown in total of coast stations. ² This class of station discontinued Apr. 1, 1935. ³ This class of station discontinued Apr. 1, 1938. ⁴ Figures include licences issued free, numbering 4,557 in 1938-39, 3,155 in 1937-38, 2,758 in 1936-37, 2,314 in 1935-36, and 1,931 in 1934-35. ⁵ Not including 2 stations under construction.

Prior to Apr. 1, 1939, the licence fee for private commercial broadcasting stations was \$50. Since that date, however, the fee has been determined by the power of the station and the density of population within its service radius and varies from \$50 per annum in the case of low-power, short-wave, and non-commercial university stations to \$10,000 per annum in the case of 50 kw. commercial stations.

2.—Private Receiving-Station Licences Issued in Canada, by Provinces, Fiscal Years 1933-39.

Province.	1933.	1934.	1935.	1936.	1937.	1938.	1939.
