**War Tax Revenue.**—An account of the various war taxes imposed in 1915 and subsequently has already been given at p. 829 in the introduction to this Section. For convenience of reference, amounts received from these taxes since first instituted are segregated and the totals paid to the Receiver General are given in Table 12. The taxes imposed on banks, trust and loan companies, and insurance companies are collected by the Department of Finance; excise taxes and income taxes are collected by the Department of National Revenue.

**12.—War Tax Revenues Received by the Receiver General, Fiscal Years 1915, 1919, 1920, and 1926-39.**

NOTE.—Statistics for the intervening years from 1916 to 1925 will be found at p. 851 of the 1938 Year Book. Receipts for these years are included in the totals.
