¹ None reported.

Section 3.—Miscellaneous Insurance.

Since 1875 the growth of insurance business other than fire and life has been steady. The report of the Superintendent of Insurance for the calendar year 1880 shows that the number of companies licensed for the transaction of accident, guarantee, plate glass, and steam boiler insurance—the only four classes of miscellaneous insurance then transacted—was 5, 3, 1, and 1, respectively. The report for the year 1938 shows that miscellaneous insurance in Canada now includes various forms of accident and 24 other classes of insurance transacted by Dominion companies. In 1880, 10 companies transacted business of the miscellaneous kind, but in 1938 such insurance was issued by 250 companies, of which 54 were Canadian, 66 British, and 130 foreign; 192 of these 250 companies also transacted fire insurance. In addition, 18 fraternal orders or societies carried on accident and sickness insurance as well as life insurance business and 2 fraternal orders or societies carried on accident insurance only.
