<sup>1</sup> Absorbed by the Imperial Bank of Canada, May 1, 1931. <sup>2</sup> Four-month averages; bank commenced business in September, 1929. The grand totals for 1929 are, however, twelve-month averages for all banks.

**Earnings of Chartered Banks.**—The chartered banks of Canada are for the most part Dominion-wide institutions, doing business in all parts of the country. Their earnings, therefore, reflect with very considerable accuracy the fluctuations of general business.

### 16.—Net Profits of Chartered Banks and Rates of Dividend Paid, for Their Business Years Ended 1938-43

NOTE.—These figures are not strictly comparable owing to variations from year to year in the practices of individual banks and between banks. With the exception of the Banque Provinciale du Canada, the profits are shown after deducting Dominion and Provincial Government taxes.
