¹ The 1941 figures show actuarial reserves but, since the 1942 statements did not show reserves by currencies, the figures for that year are for full liabilities, the greater part of which, of course, represent reserves.

Subsection 6.—Grand Total of All Life Insurance in Canada and the Business of Canadian Organizations Abroad

The first part of Table 22 summarizes the business outside of Canada of Canadian life companies and fraternal benefit societies. If to these figures is added the business in Canada of these organizations, as shown in Table 10, the total business, internal and external, of all Canadian life insurance companies and fraternal societies may be obtained as in the second part of Table 22. Again, adding the business in Canada of British and foreign companies and fraternal societies, a grand total is obtained of all life insurance in Canada and of the life insurance business abroad of Canadian organizations.

22.—Business Abroad of Canadian Life Companies and Grand Total of All Life Insurance Business in Canada and Canadian Business Abroad, 1941 and 1942

NOTE.—Figures for business in Canada will be found in Table 10, p. 921.
