¹ Figures for 1930 have been adjusted to exclude producer-distributors of milk, grain elevators and itinerant operators. These kinds of business were not included in the regular tables for 1941. ² Totals include Yukon and the Northwest Territories. ³ Includes kinds of business for which separate figures are not shown. ⁴ Less than 0.05 p.c.

Commodity Distribution of Consumer Dollar.—The first of the two diagrams shown below illustrates the relative proportions of the consumer's dollar spent for various groups of commodities through all types of retail outlets. That is
