Subsection 2.—Earnings in the Census Years 1931 and 1941

A table at p. 789 of the 1937 Year Book gives statistics of wage-earners, by sex, and their earnings, for the census years 1911, 1921 and 1931. Certain preliminary figures on earnings of wage-earners during the twelve months ended June 2, 1941, are given in Bulletin E-1 of the 1941 Census. These data are, for the first time, subdivided by counties. Bulletin E-2 gives occupations by earnings for the provinces.
