¹ Statistics do not include the numbers of postmasters of revenue offices. It should also be noted that post-office expenditures are balanced by receipts from the public.

Section 7.—The Tariff Board

The Tariff Board was constituted by Act of Parliament in 1931 (c. 55, 21-22 Geo. V). A description of the duties of the Board appears at pp. 965-966 of the 1941 Year Book. During war years the staff has been almost completely engaged in the work of the Oils and Fats Administration of the Wartime Prices and Trade Board.
