

National Research Council.—A list of publications issued by the National Research Council is available for free distribution on request. At the end of March, 1945, the number in the list was 1,280. This list includes Annual Reports of the Council; Technical Reports Nos. 1-29; Bulletins Nos. 1-19; Mimeographed Reports not hitherto listed as Council publications; Papers reprinted from the *Canadian Journal of Research* which contains (i) Reports of experimental work carried on in the National Research Laboratories, (ii) Reports of work done elsewhere with financial assistance from the National Research Council. All of these reports have been arranged in chronological order of publication and numbered in sequence. This series of publications is preceded by the letters "N.R.C. No."

The *Canadian Journal of Research* has not been included in the "N.R.C. No." series. Established as a medium for the publication in Canada of the results of original scientific research carried on in the Dominion, the *Canadian Journal of Research* is now published in six sections: A—Physical Sciences; B—Chemical Sciences; C—Botanical Sciences; D—Zoological Sciences; E—Medical Sciences; F—Technology. The Journal is to be found in the leading scientific libraries of the world. From its inception in May, 1929, to the end of Volume 12 in June, 1935, the Journal was issued in a single volume each month. *Copies of these 12 volumes unbound are available at \$1.50 each. An index of volumes 1-12 is available at \$1.* From July, 1935, to December, 1943, the Journal was published in four sections, each section being paged separately. Sections A and B were bound in one cover each month, and Sections C and D were likewise bound together. The issues from July to December, 1935, were included in Volume 13, *Price \$2.* Volume 14 contains the Journals issued in 1936 and one volume has been published each year since then. In January, 1944, two new sections were added, namely, Section E—Medical Sciences and Section F—Technology. Issue of the Journal was made bi-monthly, three sections appearing in each alternate month. Each of the six sections now appears under its own cover. *Single numbers of the Journal are priced at 50 cents each; the yearly subscription rates are: one section \$2; two sections \$3; three sections \$4; four sections \$5; any five or all six sections \$6.*
