<sup>1</sup> Includes edible offal of beef and veal.

<sup>2</sup> Customs data of exports to countries other than the United Kingdom together with Meat Board records of quantities booked or cleared for export to the United Kingdom in which allowance has been made for 56,900,000 lb. of boneless meat converted to carcass basis.

<sup>3</sup> Not available separately; quantity small and included with imports of beef.

<sup>4</sup> Not available.

<sup>5</sup> The positive changes in stocks represent deductions from the available supply during a given year and therefore are subtracted.

<sup>6</sup> Includes lard used in shortening.

**Export and Import Trade in Live Stock and Live-Stock Products.**—The exports of live stock and live-stock products from the Dominion to the United Kingdom, the United States and all countries, are shown for the calendar years 1942-45, in Table 15 of the chapter on External Trade, at pp. 542-546, and imports in Table 14 at pp. 524-527.
