

### Subsection 3.—The Senate

From an original membership of 72 at Confederation, the Senate through the addition of new provinces and the general growth of the Dominion, now has 96 members, the latest change in representation having been made in 1915. The growth of representation in the Senate is traced at pp. 47-49 of the 1940 edition of the Year Book and is summarized, by provinces, in Table 6.\*

\*In addition to a sessional indemnity of \$4,000, a Bill introduced in the House of Commons during 1945 makes provision for an allowance of \$2,000 per annum to be paid at the end of each calendar year: this allowance is deemed to be taxable income.
