

22.—Coal Reserves, by Provinces, Classified by Rank, with Percentages of Total for Each Province

Source: Associate Committee on Coal Classification of the National Research Council.

Rank	Nova Scotia		New Brunswick		Ontario		Manitoba		Saskatchewan	
	Amount	P.C. of Total	Amount	P.C. of Total	Amount	P.C. of Total	Amount	P.C. of Total	Amount	P.C. of Total
	'000 tons	p.c.	'000 tons	p.c.	'000 tons	p.c.	'000 tons	p.c.	'000 tons	p.c.
Probable Reserves—										
Low volatile bituminous including anthracite.....	2,360	0·1	Nil	—	Nil	—	Nil	—	Nil	—
Medium volatile bituminous.....	25,504	0·8	"	—	"	—	"	—	"	—
