Grand Totals.....	1,846,105	60,011,524	32.48	113.9	142.7

¹ These totals are for eight industries only; finance, the ninth industry, is not divisible by provinces and the totals are given separately in the classification by industry. ² Includes iron and steel, non-ferrous metals, electrical apparatus, lumber, musical instruments, and clay, glass and stone products. The non-durable group includes the remaining manufacturing industries, with the exception of electric light and power.
