

Subsection 1.—Provincially Controlled Schools*

Enrolment and Attendance.—Enrolment in provincially controlled schools is given for the latest school year available in Table 1 and average daily attendance is shown in Table 2. The average daily attendance figures are more comparable, as between provinces, and probably more significant for most purposes than those of enrolment.

2.—Average Daily Attendance in Provincially Controlled Schools, by Provinces, School Years Ended 1937-46

NOTE.—Figures for years prior to 1911 will be found at pp. 839-840 of the 1932 Year Book, those from 1911-25 at p. 963 of the 1937 edition and for 1926-36 at p. 1028 of the 1946 edition.
