

## Section 2.—Commercial Failures as Compiled by the Dominion Bureau of Statistics

Under the Bankruptcy and Winding Up Acts (R.S.C. 1927, cc. 11 and 213), certain documents relating to estates administered under these Acts have, since July, 1920, been forwarded to the Dominion Statistician for statistical analysis. However, changes in the Acts effective in 1923 affected the comparability of the figures for 1921 and 1922, the two earliest full years for which statistics were compiled. The series, therefore, begins with 1923, except for the analysis by branches of business, in which case 1924 was the first year in which statistics were compiled. The statistics of this Section cover all bankruptcies and insolvencies that fall under Federal legislation, including assignments of individuals and farmers.
