

## PART III.—STATISTICS OF WORLD POPULATION

Statistics of world population, not obtainable during the war years, have again become available through the Statistical Office of the United Nations. The following data were published in the United Nations Statistical Series A, No. 5, May, 1949. Countries are listed in alphabetical order within continents, distinguishing between dependent and independent areas. This arrangement has no legal or political significance.

### 32.—Population for each Country or Area of the World, according to the Latest Census and Latest Official Estimate

NOTE.—Areas for which no figures are available are not listed.
