

At this place, in previous editions of the Year Book, figures purporting to show immigrant arrivals from the United Kingdom, the United States and other countries, have been given. The series went back to 1881 but, unfortunately, has latterly been shown to be unsound. The newer series, given below, showing immigrant admissions by place of last permanent residence goes back only to 1939.

2.—Immigrant Admissions, by Country of Last Permanent Residence, 1939-48

Country	1939		1940		1941		1942		1943
