A population movement report is received yearly from penal institutions and training schools. These population changes in 1945, 1946 and 1947 are shown in Table 6.

### 6.—Penal Institutions and Training School Statistics, 1945-47

Note.—In certain classes of institutions the figure for “In custody at the end of year” does not agree with “In custody at the beginning of the (following) year”. The reasons for this are: changes in reporting procedures, transfers to other institutions, etc.
