

Provincial Insurance Schemes.—The Province of Saskatchewan conducts fire, fidelity and surety insurance but not life insurance. This is done under the terms of the Saskatchewan Government Insurance Act, 1944.

In the Province of Alberta, life insurance is provided through the Life Insurance Company of Alberta, a Crown Company that is not an emanation from the Provincial Government. Similarly, another Crown Company, the Alberta General Insurance Company, provides all other kinds of insurance except life, accident and sickness. The Alberta Hail Board provides farmers with insurance for their crops against damage by hail.

Since the insurance statistics presented in this Chapter are limited to those of companies registered with the Federal Government to do business all over Canada and details of the business of provincial companies are not covered except for the inclusion of total figures in the summary Tables 1 and 12, the same principle is followed in this Section and for detailed information the reader is referred to:—
