

PART III.—STATISTICS OF WORLD POPULATION

Population for each country or area of the world, according to the latest census and latest official estimate, is given at pp. 176-180 of the 1950 Year Book. The following table gives areas and estimates of populations of the British Commonwealth, by continents and countries.

1.—Areas and Populations of the Commonwealth, by Continents and Countries, 1947

NOTE.—The figures in this table are from the *United Nations Statistical Year Book, 1948*. Populations are mid-year estimates for 1947.
