¹ Less than 500 ac.

² Small acreages of beans were grown in Alberta during the years 1943-46. The totals for Canada include this production, but data for Alberta are not shown in the table.

³ Soybeans are currently grown only in Ontario but there were also small acreages in Manitoba and British Columbia in the years 1943-45. The totals include this production for Manitoba and British Columbia, but data for these provinces are not shown in the table.
