**Provincial Insurance Schemes.**—The Province of Saskatchewan conducts fire, fidelity and surety insurance but not life insurance. This is done under the terms of the Saskatchewan Government Insurance Act, 1944.

In the Province of Alberta, life insurance is provided through the Life Insurance Company of Alberta, a Crown Company that is not an emanation from the Provincial Government. Similarly, another Crown Company, the Alberta General Insurance Company, provides all other kinds of insurance except life, accident and sickness. The Alberta Hail Board provides farmers with insurance for their crops against damage by hail. Information regarding the operations of these Companies may be obtained from:—
