

8.—Urban Centres, each with a Gross Manufacturing Production of over \$1,000,000, Number of Establishments and Production in these centres as a Percentage of the Provincial Total, by Provinces, 1949.

NOTE.—Statistics published in this table are in some cases higher than the figures published in Table 11, since the table below includes statistics of towns with less than three establishments and production of over \$1,000,000 each. It was not possible to publish this information in Table 11 without disclosing the operations of individual establishments.
