The Park Steamship Company.—Since World War II the Park Steamship Company has acted as an agent for Crown Assets Disposal Corporation in the sale and delivery to purchasers of Government war-built ships. This work is virtually completed but the Park Company remains available to carry out any appropriate duties. The Company has no staff of its own, any necessary work being done by the staff of the Canadian Maritime Commission.

Shipping Subsidies.—The figures given in Table **29** represent the amounts paid in connection with contracts made under statutory authority by the Canadian Maritime Commission for ocean, coastal and inland water-shipping services.
