

Marine insurance showed a very large increase in Canada during the war years and substantial profits resulted. The results for the years 1941 to 1951, inclusive, were as follows:—

Year	Premiums	Claims Incurred	Under-writing Profits
	\$	\$	\$
1941.....	6,011,922	2,781,190	1,694,470
1942.....	14,295,543	7,983,963	3,855,415
1943.....	10,061,059	4,931,286	3,449,873
1944.....	6,754,361	2,172,418	3,243,889
1945.....	5,978,274	2,995,704	1,704,367
1946.....	5,655,392	2,252,701	2,084,412
1947.....	7,932,404	4,529,161	1,081,313
1948.....	7,986,658	3,468,045	2,466,397
1949.....	7,715,671	4,327,555	1,342,088
1950.....	7,592,558	3,098,086	2,394,336
1951 ^p	8,906,665	4,673,897	1,722,949

This class of insurance will, no doubt, continue to figure more largely in the business of companies in post-war years than it did before 1939.

26.—Casualty Insurance in Canada, by Companies operating under Federal Government Registration, 1951^p

NOTE.—Figures for the years 1949 and 1950 may be obtained from the Department of Insurance, Ottawa.

Class of Business	Number of Companies			Years Transacted	Aggregate Experience During Period Transacted
