¹ Includes "Hutterite".

Section 9.—Countries of Birth

The census collects information on both country of birth of immigrant arrivals in Canada and province of birth of the native-born. For persons born outside of Canada the country of birth, as constituted at the date of the census, is recorded. Table 21 gives the total population by country of birth for the census years 1931, 1941 and 1951.

21.—Countries of Birth of the Population, Census Years 1931-51

NOTE.—Figures for the Decennial Censuses 1871-1921 are given in the 1948-49 Year Book, p. 158.
