

The private schools are financed largely from fees, legacies, gifts, or by religious orders. The annual fees range from very little to upwards of \$1,000; in 1951 they averaged \$100 for day students and \$500 for boarders and expenditures amounted to over \$17,681,000. Of that amount \$5,338,000 was paid out in teachers' salaries.

**Business Colleges.**—Of the 141 business schools reporting in 1951 in eight provinces (exclusive of Quebec and Newfoundland), 15 were in the Maritimes, 78 in Ontario, 27 in the Prairie Provinces and 21 in British Columbia. There were 199 men and 438 women employed as full-time teachers and 46 men and 135 women as part-time teachers.

Girls predominated in the student body and the enrolment in evening classes was almost equal to the full-time day enrolment. The 1951 enrolment was: full-time day classes, 2,289 boys and 12,868 girls; part-time classes, 446 boys and 2,336 girls; evening classes, 3,239 boys and 11,039 girls. The total for the year was about 3,600 lower than for 1950. About 58 p.c. of the students were 17 to 19 years of age.

Monthly fees ranged from \$10 to \$35 for day classes and from \$6 to \$20 for evening classes. Total operating expenditures for these schools amounted to over \$2,600,000 in 1951 of which \$1,125,000 was for teachers' salaries.
