

8.—Urban Centres, each with a Gross Manufacturing Production of over \$1,000,000, Number of Establishments and Production in these Centres as a Percentage of the Provincial Total, by Province, 1950.

NOTE.—Statistics published in this table are in some cases higher than the figures published in Table 11, pp. 677-682, since the table below includes statistics of towns with fewer than three establishments and production of over \$1,000,000 each. It is not possible to publish this information in Table 11 without disclosing the operations of individual establishments.
