<sup>1</sup> Excludes perquisites, out-patient expenditure and non-operating expenditure.<sup>2</sup> Includes all institutions operated by the Provincial Division of Tuberculosis Control.

## Subsection 4.—Statistics of Federal Government Hospitals

Hospitals operated by the Federal Government are conducted for special purposes connected with departmental administration, such as care of war veterans and members of the Armed Forces, quarantine and care of immigrants and lepers, care of Indians, etc. Table 15 gives a composite picture of the activities of Federal Government departments in the hospital field in 1952.
