<sup>10</sup> On farms only. <sup>11</sup> Figures for the decennial census years 1881-1921 are for the immediately preceding years. In the Censuses of 1881 and 1891 values only were given of factory butter and cheese; quantities have been calculated by reckoning cheese at 10 cents per lb. and butter at 25 cents per lb. <sup>12</sup> Data shown for 1949-53 represent cheddar and other cheese made from whole milk; prior to 1942 the figures included other cheese for Quebec only. <sup>13</sup> Prior to 1921 this item does not include skim milk and buttermilk. <sup>14</sup> Years ended Mar. 31 prior to 1931.
