

In the Appendix certain material on Government (Chapter II) is brought up to date of going to press, including a listing of the personnel of the Ministries of five provincial governments elected to power during 1956.

A large folding map of Canada and a chart of the Federal Government are enclosed in the pocket on the inside back cover of the volume.

The present volume has been produced in the Canada Year Book Section by John F. McVea, Assistant Editor of the Year Book and Chief of the Section, with the assistance of Miss M. Pink, Miss C. Freeth and the Year Book Staff, under the general editorship and direction of Dr. C. C. Lingard, Director of the Information Services Division. Charts, graphs and all maps bound into the volume have been prepared for publication under the direction of J. W. Delisle, Senior Draughtsman of the Bureau.

The co-operation of numerous officials of the various Departments of the Federal and Provincial Governments and of this Bureau in the preparation of material for the Year Book is gratefully acknowledged. Credit by means of footnotes is given where possible either to the persons or to the branches of the public service concerned.

Information bearing on any errors or omissions and suggestions respecting methods of treatment are welcomed by the Director.
