

purposes. The Province pays the teachers according to class of certificate and experience and a few centres supplement this amount. The Province also makes an annual grant for plant maintenance and repairs and a building grant for new construction.

Table 6 presents a comparative statement of the finances of school boards operating provincially controlled schools in so far as this information is available from existing records.

6.—Income of School Boards of Publicly Controlled Elementary and Secondary Schools by Province, Fiscal Years Ended 1950-52

NOTE.—The receipts shown in this table do not include any amounts raised by loans or the sale of bonds or debentures as all revenue of this nature must be repaid ultimately with money raised by local taxation. Figures from 1914 are given in the corresponding table of previous Year Books beginning with the 1936 edition.

¹ Net figures, after deduction of sinking funds. ² Estimated. ³ Includes contributions to teachers' salaries and, in New Brunswick, grants made to schools by the Vocational Education Board. ⁴ Includes amounts raised by counties and township grants for salaries of rural public school teachers.

Subsection 2.—Private Elementary and Secondary Schools

Private schools include all those not operated by publicly elected or appointed boards. Except in Quebec they receive no support from public funds. Instruction is similar to that given in public schools except that more opportunities may be given for music,
