

2.—Broadcasting Stations of CBC Radio Networks as at Mar. 31, 1957

Note.—The stations marked with an asterisk (*) are CBC-owned. The symbols used in the Power column have the following meanings: DA-1, one directional antenna both day and night; DA-2, two directional antennae, one in daylight, the other at night; DA-N, single directional antenna used at night only. Wattage of some stations differs between day and night as shown.
