

**Enrolment.**—Full-time university-grade enrolment exceeded 100,000 for the first time in 1959-60. Preliminary figures show 102,000 such students in attendance. Indications are that enrolments may well be double the 1959-60 figure in about 10 years. Table 8 gives figures on enrolment, by province, for the academic years ended 1957-60.
