

Table 9 lists the broadcasting stations of the CBC radio networks.

9.—Broadcasting Stations of CBC Radio Networks, as at May 1, 1960

Notes.—The stations marked with an asterisk (*) are CBC-owned. The symbols used in the Power column have the following meanings: D, daytime; N, night; DA-1, one directional antenna both day and night; DA-2, two directional antennae, one in daylight, the other at night; DA-N, single directional antenna used at night only. Wattage of some stations differs between day and night as shown.
