

Both groups of the motor carrier freight industry are divided into four classes based on gross annual revenue. Operators of vehicle fleets owned and operated by private companies, where the vehicles are not available for public service, such as dairies, bakeries, department and grocery stores, oil and gasoline distributors and breweries, are excluded.

9.—Summary Statistics of Motor Carriers—Freight, 1958 and 1959

Item	Common		Contract	
	1958	1959	1958	1959
