

Employment Service.—The Unemployment Insurance Commission operates a free employment service under authority of the Unemployment Insurance Act. The public employment offices, which had functioned under a joint federal-provincial arrangement for more than two decades, were taken over by the Commission on Aug. 1, 1941, and additional offices were established in all provinces except Quebec. The Commission established its own offices in Quebec and the provincial government thereupon reduced the number of its offices.

29.—Applications for Employment, Positions Offered and Placements Effected by Employment Offices 1951-60, and by Province, 1959 and 1960

NOTE.—Figures by province from 1920-57 are given in the corresponding table of previous Year Books beginning with the 1926 edition. Totals for 1920-37 are given in the 1938 edition, p. 766; for 1938 in the 1939 edition, p. 802; for 1939-48 in the 1951 edition, p. 686; and for 1949 and 1950 in the 1960 edition, p. 790.

Section 6.—Technical and Vocational Training

The federal Department of Labour, under the Technical and Vocational Training Assistance Act (SC 1960-61, c. 6), co-operates with provincial government departments, employers' organizations, organized labour and Federal Government departments and agencies, including Crown companies and the Armed Forces, in the promotion, organization and development of all types of publicly financed training programs deemed necessary to fit persons for employment or to upgrade workers in their present positions.
