Household Goods Movers and Storage Operators.—Statistics of household goods movers and storage operators, summarized in Table 11, are presented separately for the first time. Before 1960, these figures were included with those of either motor carriers—freight or warehousing, depending upon the predominant source of operating revenues of the companies concerned.

11.—Summary Statistics of Household Goods Movers and Storage Operators, 1960

Item	Amount	Item	Amount

		Tractors..... "	650
		Semi-trailers..... "	647
		Trailers..... "	40

Passenger Buses.*—The operations of motor carrier companies predominantly engaged in passenger bus service are summarized in Tables 12 and 13. Data refer to the for-hire segment of the industry and only those firms engaged in intercity and rural operations and having an annual gross revenue of \$6,000 or over are covered. Operators predominantly involved in the provision of charter or school bus service are not included.

* Statistics are given in more detail in DBS annual report *Passenger Bus Statistics* (Catalogue No. 53-215).
