

Table 8 lists the broadcasting stations of the CBC radio networks.

8.—Broadcasting Stations of CBC Radio Networks, as at Mar. 1, 1962

Note.—The stations marked with an asterisk (*) are CBC-owned. The symbols used in the Power column have the following meanings: D, daytime; N, night; DA-1, one directional antenna both day and night; DA-2, two directional antennae, one in daytime, the other at night; DA-N, single directional antenna used at night only. DA-D, single directional antenna used in daytime only. Wattage of some stations differs between day and night as shown.
