¹ At refineries only.**Subsection 4.—Warehousing of General Merchandise and Refrigerated Goods**

Public Warehouses.—The summary statistics of the warehousing industry in Canada presented in Table 34 cover the operations of the majority of firms offering general merchandise and refrigerated storage facilities to the public. Associations and organizations such as co-operatives operating warehouses or storages for their own members are not included nor are packing houses and other firms operating storage facilities in connection with their respective businesses. Small food lockers are not included except where they may be part of a general warehousing business.
