¹ Conceptually identical to previous years.

² Cannot be reported separately for manufacturing and non-manufacturing activities but related substantially to manufacturing activity.

³ Included with administrative and office employees in the Manufacturing series published in former years.

⁴ Includes production and related workers, administrative and office employees, sales, distribution and other employees; excludes working owners and partners.

⁵ Value of total shipments and other operational revenue less total cost of materials, supplies, fuels used and purchases of products and materials for re-sale in the same condition; all adjusted for inventory changes where required.

⁶ Includes poultry processors; not included in Table 1.

⁷ Includes book publishers; not included in Table 1.

⁸ Includes electroplating establishments; not included in Table 1.

⁹ Includes dental laboratories, and prescription branches in the ophthalmic goods manufactures industry; not included in Table 1.
