<sup>1</sup> Conceptually identical to previous years. <sup>2</sup> Cannot be reported separately for manufacturing and non-manufacturing activities but included substantially to manufacturing activity. <sup>3</sup> Included with administrative and office employees in the manufacturing series published in former years. <sup>4</sup> Includes production and related workers, administrative and office employees, sales, distribution and other employees; excludes working owners and partners. <sup>5</sup> Value of total shipments and other operational revenue less total cost of materials, supplies, fuels used and purchases of products and materials for re-sale in the same condition; all adjusted for inventory changes where required.
