¹ Conceptually identical to previous years.

² Included with administrative and office employees in the manufacturing series published in previous years.

³ Cannot be reported separately for manufacturing and non-manufacturing activities but related substantially to manu-
facturing activity.

⁴ Includes production and related workers, administrative and office employees, sales, distribution and other employees; excludes working owners and partners.

⁵ Value of total shipments and other operational revenue less total cost of materials, supplies, fuels used and purchases of products and materials for re-sale in the same condition; all adjusted for inventory changes where required.
