Section 4.—Trade by Commodity

This Section provides detailed information on the composition of Canada's exports and imports for 1963 and 1964. Table 8 shows exports and re-exports to and imports from all countries, Britain and the United States, classified by section; Table 9 gives detailed statistics of all commodities of any importance exported from Canada to all countries, to Britain and to the United States; and detailed statistics for imports into Canada by group and commodity appear in Table 10. An explanation of the different classification used in the latter table is given on p. 915.
