Financial Statistics of the Chartered Banks.—The classification of chartered bank assets and liabilities was revised by the Bank of Canada Act, 1954, so that the statistical series given in Tables 11-15 begins with that year. Assets and liabilities are given in less detail for 1954-61 in the 1965 Year Book, p. 1043; month-end data are available from Dec. 31, 1954 to date in the Bank of Canada *Statistical Summary*.
