¹ Conceptually identical to previous years.

² Cannot be reported separately for manufacturing and non-manufacturing activities but related substantially to manufacturing activity.

³ Includes production and related workers, administrative and office employees, sales, distribution and other employees.

⁴ Value of total shipments and other operational revenue less total cost of materials, supplies, fuels used and purchases of products and materials for re-sale in the same condition; all adjusted for inventory changes where required.

⁵ Confidential.

⁶ Incorporates revised basis of valuation for smelting and refining.
