

Because of the prevalence of eating and drinking places, the number and receipts of the different types of operation included in this classification are given for each province and for the larger urban centres or areas in Table 4.

4.—Number of Eating and Drinking Places and Receipts, by Province, Metropolitan Area, Major Urban Area and Other Urban Centres of 30,000 or More Population, Census 1961

NOTE.—Urban centres are designated in this table by the following abbreviations: m.=metropolitan area, u.=major urban area and c.=urban centres of 30,000 or more population.
