National Film Board
(Produces documentary films, newsreels and short subjects for theatrical, non-theatrical and television distribution; film-strips and photographs for informational, educational and archival purposes; other visual materials devoted to the interpretation of the Canadian scene to audiences both in Canada and abroad; and maintains a large film preview library for the benefit of government departments and other official bodies.)
Canadian Broadcasting Corporation
(Produces 16 mm. films for broadcasting over its own networks and stations. Some of these are available for export sales.)
Central Mortgage and Housing Corporation (library of films on housing and urban renewal)
Dept. of Forestry and Rural Development
Information and Technical Services Division (maintains lending library of forestry training and resource films)
National Gallery of Canada (library of films on art)
