

**Legislation of the First Session of the Twenty-seventh Parliament,
Jan. 18, 1966 to Mar. 22, 1967—continued**

Subject, Chapter and Date of Assent	Synopsis
Revenue—concluded 1967	
91 Mar. 23	<i>An Act to amend the Income Tax Act and to repeal the Canadian Vessel Construction Assistance Act</i> incorporates in the Income Tax Act the provisions analogous to those in the Canadian Vessel Construction Assistance Act and repeals the latter. It also implements items of the Income Tax Resolution dealing with deferred profit-sharing and supplementary benefit plans.
Scientific and Industrial Research— 1966	
19 May 12	<i>The Science Council of Canada Act</i> provides for the establishment of a Science Council of Canada.
26 June 16	<i>An Act to amend the Research Council Act</i> changes the formal title of the Council to "National Research Council of Canada", authorizes the payment of remuneration to members for duties performed in addition to their regular duties, authorizes temporary appointments and the establishment of a national science library, and makes relative administrative changes.
82 Mar. 10	<i>The Industrial Research and Development Incentives Act</i> provides general incentives to industry for the expansion of scientific research and development in Canada and effects certain related amendments to the Income Tax Act.
Trade— 1966	
16 May 12	<i>An Act to amend the Export and Import Permits Act</i> extends the duration of the Act for a further period of three years, to July 31, 1969.
63 Dec. 21	<i>An Act to amend the Export Credits Insurance Act</i> authorizes the Export Credits Insurance Corporation to issue unconditional guarantees to banks in connection with transactions insured by the Corporation and to enter into agreements with foreign governments in connection with certain transactions and reschedule debts owed to the Corporation in respect thereof; it increases from \$400,000,000 to \$500,000,000 the maximum liability to the Corporation at any time.
Transportation— 1966	
9 Mar. 31	<i>The Milltown Bridge Act</i> authorizes the construction of a bridge across the St. Croix River between the Province of New Brunswick and the State of Maine.
10 May 12	<i>An Act to amend the Aeronautics Act</i> authorizes the imposition of charges for the use of Department of Transport facilities and services and of charges for their availability to aircraft during flights within Canada; authorizes the establishment of boards to investigate aircraft accidents and provides for the payment of expenses of witnesses appearing before such boards; provides for an increase in the membership of the Air Transport Board, setting terms of office and retirement age; and makes other administrative changes.
15 May 12	<i>An Act respecting the construction of a line of railway in the Province of Ontario by Canadian National Railway Company from the vicinity of Amesdale on the Redditt Subdivision of the CNR in a northwesterly direction for a distance of approximately 68 miles to a point in the vicinity of Bruce Lake in the District of Kenora.</i>
35 July 11	<i>An Act respecting the construction by Canadian National Railway Company of a line of railway in the Province of Manitoba from the vicinity of Stial Lake on the Chisel Lake Subdivision of the CNR in a northeasterly direction for a distance of approximately 12 miles to a point in the vicinity of Osborne Lake in The Pas Mining District of that Province, and of a line of railway in the Province of Saskatchewan from the vicinity of Watrous on the Watrous Subdivision of the said Railway in a northeasterly direction for a distance of approximately 18 miles to a point in the vicinity of Guernsey in the Regina Mining District of that Province.</i>
50 Sept. 1	<i>The Maintenance of Railway Operation Act, 1966</i> provides for the resumption of operations of railways and for the settlement of the existing dispute with respect to terms and conditions of employment between railway companies and their employees.
