## Section 4.—Trade by Commodity

This Section provides detailed information on the composition of Canada's exports and imports for 1965 and 1966. Table 8 shows exports and re-exports to and imports from all countries, Britain and the United States, classified by section; Table 9 gives detailed statistics of all commodities of any importance exported from Canada to all countries, to Britain and to the United States; and detailed statistics for imports into Canada by section and commodity appear in Table 10.
